

PREMIUM PARKING PROGRAM: FAQs

What is the cost?

The annual cost is \$2,500 plus GST per spot/permit.

How do I pay?

Please contact Tulaya at 250.963.2411 or parking@pgairport.ca to set up the program. After the initial set up/agreement signed, customers will be sent an invoice annually.

Where are the spots?

The spots are directly located beside the International's Area of the terminal between the building and the car rental lot. Map at the end of this document. The spots are labelled 1 through 7, located in red box.

What is the process?

Interested parties must sign a "Premium Parking Agreement." The Prince George Airport Authority will designate each Licensee with a numbered spot for their use for the year. When they arrive at YXS, they pull into their pre assigned parking spot and proceed to the terminal.

What happens if someone is in my spot when I pull in? There will be overflow parking for this exact reason. Please pull into one of those spots and call Airport Security to arrange a tow of the non-permitted vehicle in your spot: 250.963.2406. On the attached map, the overflow area is marked with .

Does my spot auto renew?

Yes, the spots will auto renew after 12 months. An invoice will be sent out automatically. If the Licensee wants to cancel their annual parking, they must provide 30 days' notice prior to expiration to terminate.

Do I need a decal in my windshield?

A decal is not required. Only Premium Parking Users are aware of the spots. How Licensees decide to share/rotate the spot with friends and family is up to them. Keeping in mind only one vehicle in one spot at all times.
