

We're looking for a **Heavy Duty Mechanic** to join our team!

### About Us

The Prince George Airport Authority (PGAA) is made up of a team of diverse people who are proudly working together to connect Northern BC to the worldwide destinations. With a commitment to safety first and foremost, our team is dedicated to enhancing our region by providing an excellent airport experience while driving economic growth.

We acknowledge that the work of the Prince George Airport Authority takes place on the unceded, traditional territory of the Lheidli T'enneh. We acknowledge the need for meaningful consultation with Indigenous communities and the Prince George Airport Authority is committed to working towards meaningful reconciliation.

As an employer with a long history in our region, Prince George Airport Authority strives for a respectful workplace that reflects the diversity of the communities we serve. We support the Employment Equity Act and take measures to ensure fair employment practices and treatment of employees across our organization. We welcome applications from all qualified candidates, including women, Aboriginal peoples, persons with disabilities and members of visible minorities. We encourage applicants to self-identify with a designated group(s) to support our team in filling gaps in areas where we can be more diverse. We are also happy to provide reasonable accommodations throughout the selection process and while working at PGAA.

### About The Role

Reporting to the Manager of Operations, and working collaboratively with the Operations Team, the **Heavy Duty Mechanic** repairs and maintains fixed and towed ground support equipment, including snow removal and mechanized sweeping equipment and all other PGAA vehicles.

### Key Responsibilities

- Provide prompt response to equipment service requests
- Fleet vehicle maintenance and repairs
- Maintain accurate maintenance records and preventative maintenance system
- Obtain quotes for various jobs related to fleet
- Maintenance, inventory control, and ordering of parts, tools, and supplies
- Coordinate with administration and other trades for the purpose of completing projects/work orders efficiently
- Work with outside vendors and contractors as required
- Perform any other duties as required

## Qualifications

- Possession of a Red Seal Heavy Duty Mechanical trade certification
- Demonstrated commitment to safety as a priority
- Strong critical thinking, decision making and problem-solving skills
- Ability to work in a complex, technical environment with minimal supervision
- Ability to communicate clearly and concisely, both orally and written
- Competency in Microsoft Excel, Word, and Outlook applications
- Possess a valid BC Class 3 Drivers License with air brake endorsement, or potential to obtain immediately after employment
- Ability to obtain and maintain a Transport Canada security clearance (TSC)
- Ability to obtain and maintain a Radio Operator's Certificate
- Ability to obtain and maintain an Airside Vehicle Operator's Permit (AVOP), and drive in all weather conditions, both day and night

## Hours of Work

Based on 35-hours per week scheduled primarily Monday through Friday, with potential requirement to work alternative shifts and/or overtime based on operational needs.

## What We Offer

- A safe and respectful workplace
- Long-term career potential
- Learning and development opportunities
- Work-life balance (we really mean that!)
- Local, onsite work with no travel requirements
- A comprehensive benefits package, including Extended Health & Dental, Registered Pension Plan, and an Employee Family Assistance Program
- Starting wage of \$42.17/hour with increases as per the Collective Agreement (currently in negotiations)

This position is open to Prince George Airport Authority employees and external candidates. Previous job performance will be taken into consideration for all internal candidates that apply for this position.

## How To Apply

To apply for this position, please forward your resumé, in confidence, to [hr@pgairport.ca](mailto:hr@pgairport.ca) with "**Heavy Duty Mechanic**" in the subject line.
